

# Exclusion List

Revised July 2020

NOTE: When a movie based on an AR book opens, that book is immediately placed on the Exclusion List until a new test is made. It is the student's responsibility to check with a librarian before testing on a current "movie book." The permanent Exclusion List below does not include any of these "new movie" books because these books are usually on the Exclusion List for as long as it takes to create a new test.

These books may NOT be used for summer reading credit. To read these books during the school year, the student must get special written permission from his/her English teacher. The list is arranged by author.
